Surrounded by pristine wilderness and attuned to the gentle rhythm of earth, Makweti Safari Lodge breathes grace and elegance while allowing a glimpse of old Africa.

Makweti is a luxurious intimate camp with five elegant thatch and stone suites, accommodating just 10 guests.

Exclusive and secluded, Makweti rests comfortably beside a variety of indigenous trees, while the giant euphorbia that adorn the area lend a surreal, ancient air to the camp. It is here where you can touch the African wilderness and marvel at her diverse wildlife.

If it is evocative, ancient Africa that you love, rugged beauty and distant horizons unfolding around you, then this place of the giant Makweti tree will enchant you. Situated in the Malaria Free Welgevonden Private Reserve.
