Destinations & Properties

Nedile Lodge is situated in the Malaria free Welgevonden Game Reserve, just 2.5 hours from Johannesburg.

Five exclusive suites, carefully positioned between rocky outcrops on a north facing slope and breath-taking views of the Waterberg Mountains, compliment this location. Two of the suites may be used as family units with an inter-leading entrance hall. Each room has its own en-suite bathroom with indoor and outdoor showers.

The main building has a central African theme and consists of a lounge/bar and dining area, all leading out onto seligna decks. A rock boma provides an outside dining area where you can enjoy a traditional campfire and true South African hospitality
